RE: Financial Status/Statement of Income

Dear Pharmaceutical Company Representative,

This letter is to confirm that I, \_\_\_\_\_ at the time of my treatment was and am currently unemployed and do not receive any direct income. However, I am currently supported by the assistance of friends and /or family members.

In addition, regarding any required fax documentation please be advised that:

- Because I currently do not earn any income, I did not file any tax returns in the previous year.
- Last year my tax status was (circle one) SINGLE, MARRIED FILING JOINTLY, MARRIED FILING SEPARATELY, OR HEAD OF HOUSEHOLD. Please see the attached 4506-T permitting access to a copy of my previous year's FEDERAL TAX RETURNS, which reflects the status.

Please respond to the Reimbursement Coordinator applying on my behalf if there is a need for further documentation.

Sincerely,

X
